The 3 Liter and 1 Gallon CBS-2131 / 2132 XTS Touchscreen Series Airpot Coffee Brewers are a perfect hot beverage solution for high volume self-service environments such as convenience stores, cafeterias, specialty coffee shops or office coffee service (OCS). Now experience total control of this fully featured Extractor® Brewing System via an inviting touchscreen interface display that is intuitive, easy to read and simple to navigate.

CBS-2132XTS
Set up for 1.0G Brewing*

CBS-2131XTS
Set up for 1.0G Brewing*

* Dispensers sold separately.

XTS™ Series

Driven by a user friendly touchscreen interface and intuitive software, the XTS series represents the next step in the evolution of FETCO's renown EXTRACTOR brewing technology.

Cascading Spray Dome™

Hot tank water flows over clog-free channels built into the dome and virtually eliminates spray head scale buildup – a leading reason for service calls.

Legendary Extractor® Control

Although designed specifically for smaller batch airport dispensing, these high quality brewers possess the legendary features and reliable performance you've come to expect from Extractor® branded products.

Efficient Design & Construction

FETCO equipment is designed and built to standards well above most others on the market today and can deliver significant energy savings when compared to similar competitor's products.

Modern Convenience

Duplicate profiles and parameters to and from any of the batch buttons on a single machine or copy the information to an unlimited number of brewers via a removable SD card (sold separately).

Contemporary Style

Sleek European cabinet design is attractive and fits well in any front-of-house decor found in cafes, lounges, OCS or corporate breakrooms.

Features & Benefits

	Feature	Benefit
1	Touchscreen Interface	Allows for quick and easy access to brew controls.
2	Brew Basket Sensors	Automatically discontinues operation of brew cycle if basket is removed.
3	Mixed Material Construction	Mixed material is attractive and comfortable in any front-of-house setting.
4	Manual Water Faucet	Safely dispenses hot water away from steam and brew basket.
5	Stainless Steel Finish	Withstands the harshest foodservice environments and is durable and easy to clean.
6	Fixed Dispenser Guide	Helps position airpot directly under brew basket drip hole for spill free brewing.

Dispensers sold separately.
